Doing Business with Gateway Correspondent Lending

General

Gateway is delighted that you have become our business partner! This Chapter contains general information you will need in order to transact business with Gateway's Correspondent Division. Please direct questions to the Correspondent Division associates at their direct numbers and addresses shown below.

Purpose of this Guide

The purpose of this Gateway Correspondent Client Guide ("Guide") is to provide Gateway's approved Correspondent clients ("Clients") with policy and procedure requirements to follow when doing business with us. The Guide is a critical component of the Contract Documents governing our relationship. Exceptions to the requirements of this Guide, the Correspondent Loan Purchase and Sale Agreement ("Agreement") or any other Contract Documents (as defined in the Agreement) must be granted in writing by an authorized officer of Gateway.

This Guide contains information that is confidential and is the property of Gateway's Correspondent Channel. It may not be copied, published, or used, in whole or part, for any purpose other than as expressly authorized by Gateway.

It is important that the contents of this Guide be shared with all pertinent parties within your organization to ensure compliance with Gateway's guidelines when registering, underwriting, or delivering loans to Gateway for purchase.

As new products, policies, or procedures are introduced, or existing policies and procedures are revised, you will receive a Correspondent Client Announcement as initial notification of the change. The contents of the announcements will be incorporated into the Guide.

Additionally, the Gateway Correspondent Website is a vital component of doing business with Gateway. It is located at www.gatewaycorrespondent.com.

Repurchase, Early Payment Default and Early Payoff

Definition of Repurchase

“Repurchase Price” means, for each Loan other than an EPD Loan, on any day, the price for which such Loan is to be resold by Buyer to Client is (x) the purchase price paid by Buyer to Client for the Loan pursuant to the Commitment; plus, if the repurchase occurs within the first 23 months following the date of purchase of the Loan by Buyer, any premium paid for the Loan; plus any unreimbursed advances Gateway has on the loan, minus (y) the sum of all payments received from the borrower/mortgagor in accordance with the terms of the Loan.

Early Payment Default (“EPD”)

EPD is defined as any loan sold by Client to Gateway where any of the first four (4) payments due to Gateway becomes ninety (90) days or more delinquent. In certain EPD situations, Gateway may, at Gateway’s sole discretion, offer to Client an indemnification option in lieu of an immediate repurchase of the loan, on the following terms and conditions:

1. Gateway and Client would execute a letter summarizing the terms of the arrangement.
2. Client would agree to pay a one-time, non-refundable fee of \$3,000 on a conventional or government loan, in exchange for Gateway providing the services listed below and for administration of the indemnification process. In addition, Client would pay back to Gateway any service-released premium (“SRP”) and above-par pricing that was paid by Gateway to Client on the subject loan.
3. Gateway would be responsible for handling the foreclosure process, including all filing and legal fees associated with the foreclosure.
4. Gateway would forebear on enforcing its repurchase obligations on the loan until the foreclosure process is completed. At the end of the foreclosure process Client would agree to compensate Gateway for the difference between the net proceeds of the foreclosure process realized and the outstanding principal balance of the loan, plus accrued interest and fees, at the time the foreclosure is completed. Gateway would assign the rights, if any, to pursue any deficiency owed by the borrower to Client as part of this process.
5. Gateway and Client might also agree to undertake a loan modification, short sale or deed in lieu of foreclosure as an alternative to foreclosure.
6. Entry into an indemnification arrangement with respect to any loan would not serve as a waiver of any other rights of Gateway with respects to that loan, or waive, modify or create any other rights with respect to any other Loan sold by Client to Gateway. In all other respects other than as expressly addressed in this section or the letter issued as part of the indemnification process, the rights, duties and obligations of the parties remain as set forth in the Guide or in the written agreement between Gateway and Client.

Definition of Early Payoff (“EPO”)

EPO with respect to any Loan shall mean that Loan is prepaid in full on or before 120 days following the applicable Purchase Date. In the event of an EPO, Client would pay back to Gateway any SRP and above-par pricing that was paid by Gateway to Client on the subject loan.
