LOAN OFFICER/LENDER ELECTRONIC SIGNATURE DOCUMENTATION REQUIREMENTS

Lenders or Document Custodians must collect and retain appropriate evidence to:

- document a signer's agreement to use an electronic signature,
- demonstrate a signer's execution of a particular electronic signature, and
- prove its attribution of the electronic signature to that signer.

Any files that a Lender maintains must include:

- the name of the person and related entity, if applicable, who signed each document in the loan file;
- the borrower's consent for the use of any electronic signature or disclosure;
- the date of the signature;
- the method by which the document was signed; and
- any associated information that can be used to verify the electronic signature.
